

Attention Mathematics Coordinator

We are a group of experienced teachers, with many years of HSC teaching and marking experience. This is our 16th year of operation and we are delighted with the response we have had so far. We offer quality papers backed by quality service. **Each paper contains:**

- Typed full solutions. Year 11 and 12 papers have a mapping grid of outcomes, marking scale and achievement bands for each question
- *All papers will be written in the new format as required by the NSW Education Standards Authority*
- All 2019 papers and past papers come in CD version (PC/Mac compatible). Email format on request.
- All questions are editable except Year 7 Short Questions which consist of **1000** questions in groups of ten.
- Year 11 Preliminary Extension I sets (1-25) consists of over 125 questions with complete work solutions.
- Over 200 questions with complete worked solutions cover the whole of the year 12 Extension 1 HSC plus some Preliminary questions (sets 1-40) Year 9/10 short questions consist of over 900 questions.
- Year 11 Standard course over 250 free response Q's and 110 multiple Q's with worked solutions.
- **.NEW Year 12 Standard 2 course over 250 free response questions and 110 multiple questions with worked solutions.**

We have a **strict policy** regarding the **confidentiality** and **security** of papers. Security period for the papers: Year 12 - 16th August 2019 and Year 11 – 20th September 2019.
