

Attention Mathematics Coordinator

We are a group of experienced teachers, with many years of HSC teaching and marking experience. This is our 20th year of operation and we are delighted with the response we have had so far. We offer quality papers backed by quality service. Each paper contains:

- Typed full solutions. Year 11 and 12 papers have a mapping grid of outcomes, marking scale and achievement bands for each question.
- All papers will be written in the new format as required by the NSW Education Standards Authority
- All 2023 papers and past papers come in USB version (PC/Mac compatible). Email format on request.
- All questions are editable except Year 7 Short Questions
- Year 11 Standard course over 280 free response questions and 130 multiple questions with worked solutions.
- Year 12 Standard 2 course over 250 free response questions and 110 multiple questions with worked solutions.
- Year 11 Mathematics Advanced course over 180 free response questions and 165 mc with worked solutions.

We have a **strict policy** regarding the **confidentiality** and **security** of papers. Security period for the papers: Year 12 - 11th August 2023 and Year 11 – 15th September 2023.
